[X] Categorical Exemption. State type and section number: Class 3; Guidelines §15303
Statutory Exemptions. State code number:

Reasons why project is exempt:
The project would involve installing new and replacement emergency power generators to run essential County infrastructure. These generators would be housed within very small new and existing structures. The Class 3 Categorical Exemption consists of "new, small facilities or structures; installation of small new equipment..." The placement of accessory structures (e.g. garages) is an example of the use of this exemption.
