Present Land Use/Zoning/General Plan Designation:

No Zoning/Land Use Designation. City Roadway Right-of-Way

Project Description: (please use a separate page if necessary)

The City is proposing to rehabilitate the deteriorating pavement throughout the Project area as well as implement safety improvements, including adding separated bike lanes, enhancing the mid-block crossings for pedestrians, and improving lighting. In addition, vehicle travel lanes along segments of the Project area would be modified as warranted by traffic analysis. Traffic signalization at the intersection of Jefferson Boulevard and Merkely Avenue would be upgraded to include dedicated left turns. Traffic signal equipment along Jefferson Boulevard, Westacre Road, Poplar Avenue and Harbor Boulevard may be upgraded as well. This work would be conducted within existing right-of-way and existing fill, and would not require bridge widening over the unnamed ditch between Enterprise Boulevard and Northport Drive. NOTE: SEE UND FOR FULL DETAILS.
