State Clearinghouse Number (if submitted to State Clearinghouse): 2019029119

Project Title: Wells No. 12 and No. 14 and Pipeline Project

Project Applicant: Mesa Water District

Project Location (include county): 4011 W. Chandler Avenue and 3120 S. Croddy Way, Santa Ana, Orange County

Project Description:

In order to provide additional local water reliability, Mesa Water District is proposing to construct two new potable water wells. Proposed Well No. 12 and associated structures and equipment would be constructed within a 0.43-acre site. Proposed Well No. 14 and associated structures and equipment would be constructed within a 0.46-acre site. Each well site will include a well building, electrical building, SCE transformer, chemical storage area, emergency backup generator, and a well water waste air gap. Both wells will require the construction of approximately 4,500 feet of pipeline to connect the proposed wells to Mesa Water District's existing system.

This is to advise that the Mesa Water District has approved the above
 (Lead Agency or Responsible Agency)

described project on April 11, 2019 and has made the following determinations regarding the above
 (date)
 described project.

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
Mesa Water District, 1965 Placentia Avenue, Costa Mesa, CA
