Ms. Kimberly Yearyean  
Bureau of Indian Affairs  
2800 Cottage Wat  
Sacramento, CA 95825

Dear Ms. Yearyean:

Thank you for the opportunity to review the Notice of Land Acquisition Application for the Santa Rosa Indian Community of the Santa Rosa Rancheria proposing the transfer of two (2) parcels of land in Kings County.

The mission of Caltrans is to provide a safe, sustainable, integrated and efficient transportation system to enhance California's economy and livability. The Local Development - Intergovernmental Review (LD-IGR) Program reviews land use projects and plans through the lenses of our mission and state planning priorities of infill, conservation, and travel-efficient development. To ensure a safe and efficient transportation system, we encourage early consultation and coordination with local jurisdictions and project proponents on all development projects that utilize the multimodal transportation network.

Caltrans provides the *following comments* consistent with the State's smart mobility goals that support a vibrant economy and sustainable communities:

1. Caltrans has no objection with the proposed land acquisition application. However, the project application does not indicate the proposed uses for these properties. Caltrans requests the opportunity to review any future proposed development that has the potential to impact the State Highway System.

If you have any further questions, please contact Lupita Mendoza, Transportation Planner, at (559) 488-4260.

Sincerely,

For: LORENA MENDIBLES, CHIEF  
Transportation Planning-South
