CAL	CALTRANS CEQA DETERMINATION (Check one)									
י 🗆	Not Applicable – Caltrans is not the CEQA Lead Agency Not Applicable – Caltrans has prepared an Initial Study or Environmental Impact Report under CEQA									
	Based on an examination of this proposal, supporting information, and the above statements, the project is: Exempt by Statute. (PRC 21080[b]; 14 CCR 15260 et seq.)									
E	Based on an examination of this proposal and supporting information, the following statements are true and exceptions do not apply:									
	 If this project falls within exempt class 3, 4, 5, 6 or 11, it does not impact an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law. There will not be a significant cumulative effect by this project and successive projects of the same type in the same place, 									
	 over time. There is not a reasonable possibility that the project will have a significant effect on the environment due to unusual 									
	 circumstances. This project does not damage a scenic resource within an officially designated state scenic highway. This project is not located on a site included on any list compiled pursuant to Govt. Code § 65962.5 ("Cortese List"). 									
П,	This project does not cause a substantial adverse change in the significance of a historical resource. Common Sense Exemption. [This project does not fall within an exempt class, but it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment (14 CCR 15061[b][3].)
