Cal. Code Regs., tit 14, § 15301
- Statutory Exemptions. State code number.
- Common Sense Exemption. (Cal. Code Regs., tit 14, §15061(b)(3))

Reasons why project is exempt:

The project involves minor alteration of existing mechanical equipment at four existing food processing facilities. This project will replace existing, aging industrial equipment with new high-efficiency equipment. Equipment to be replaced includes low-emission boilers, economizers, heat exchangers, automatic blowdown controllers, motors, and compressors. The new equipment will help improve the efficiency of the facilities and reduce greenhouse gas emissions. These installations will be minor alterations to the existing equipment, with no expansion beyond the existing use of the food processing facilities and will not have significant effect on the environment.
