PROJECT TITLE: Post Wildfire Modular Office Installations

LOCATION: Malibu Creek State Park and Pt. Mugu State Park

COUNTY: Los Angeles

DESCRIPTION OF THE NATURE AND PURPOSE OF PROJECT: The California Department of Parks and Recreation proposes to provide temporary operations facilities which provide critical services including maintenance, public safety and aquatics safety after the loss of infrastructure as a result of the Woolsey Fire. Temporary space would be provided by the placement of modular buildings at two locations, the Sycamore Cove Day-Use Area and near existing operational facilities at Malibu Creek State Park. Additional features would include, but are not limited to utilities, accessible ramps and restrooms.

Project requirements have been incorporated into this project to avoid and/or minimize environmental impact. They can be obtained by contacting the environmental coordinator at the contact information below.
