Project Title: Imperial County Cleanup Day at area known as Slab City

Project Location – Unincorporated area Imperial County commonly known as Slab City

Project Location – County: Imperial County

Description of Nature, Purpose, and Beneficiaries of the Project: Provide a Cleanup Day in the area known as Slab City in Imperial County. Participants will collect and take their solid waste materials to designated dropoff locations. The Department of Resources Recycling and Recovery (CalRecycle) contractors will collect and segregate materials, and dispose or recycle the materials. Coordination meetings will be held and educational outreach materials provided.

Name of Public Agency Approving the Project: CalRecycle

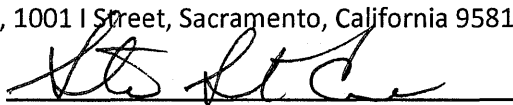

Name of Person or Agency Carrying Out the Project: CalRecycle

Exempt Status: Class 8 Categorical Exemption/Title 14, California Code of Regulations, §15308, and Class 30 Categorical Exemption/Title 14, California Code of Regulations, §15330.

Reasons Why the Project is Exempt: The Department of Resources Recycling and Recovery approved the remediation project on March 25, 2019, under the authority of Public Resources Code (PRC) §42847 et seq. The project will prevent pollution of the environment and the potential release of hazardous materials by assisting in the removal of solid waste and incidental household hazardous waste, and preventing the materials from being illegally dumped.

Lead Agency Contact Person: Steve Santa Croce, (916) 341-6688, Department of Resources Recycling and Recovery (MS 10A-18), 1001 I Street, Sacramento, California 95814
