Project Title: Canyon Crest Academy Stadium Lighting Project

Project Applicant: San Dieguito Union High School District

Project Location (include county): 5951 Village Center Loop Road, San Diego, CA 92130; San Diego County

Project Description:

The project includes the construction of four stadium lighting poles around the multi-sport field at CCA. The poles would be placed outside of the track at the four corners of the field. All project features would occur within the existing development footprint of the multi-sport field. The light fixtures would be equipped with LED (light emitting diode) lights. The intent of the lighting is to illuminate the multi-sport field and bleachers for egress. Currently, there is no lighting at the field so students must leave class early in order to complete games prior to sundown.
