CAL-4-PM 8.14
Tri-Dam Day Use
IS/ND

Ms. Madeleine Flandreau
Calaveras County Planning Department
Government Center
891 Mountain Ranch Road
San Andreas, CA 95240

Dear Ms. Flandreau,

The California Department of Transportation (Caltrans) appreciates the opportunity to respond to the Initial Study/ Negative Declaration (IS/ND) for Tri-Dam Day Use Recreational Facility located at 7430 O-Byrnes Ferry Road in Copperopolis, APN 064-029-062. The applicant is requesting approval of a Planned Development permit to construct a day-use recreational facility along the shoreline of Tulloch Reservoir. The lot is currently undeveloped except for a 4-slip boat dock. The proposed facility will include picnic areas, a fishing pier, beach area, restrooms, an office/storage building, parking area and a launch for non-motorized watercraft.

Caltrans reviewed the IS/ND and has the following comment:

The County should collect impact fees for any future mitigations to the following locations:

- TUO 120/O-Byrnes Ferry
- CAL 4/O-Byrnes Ferry.

If the scope of the project changes or expands beyond the original projected use, Caltrans request to review the project for impacts to the State Routes.

Please do not hesitate to contact me at (209) 948-7325 (email gregoria.ponce@dot.ca.gov) or Kevin Schroder (209) 941-1947 (email kevin.schroder@dot.ca.gov) if you have any questions or concerns.

Sincerely,

Gregoria Ponce, Office Chief
Office of Rural Planning
