Re: Jesse M. Unruh Building Renovation Project

SCH# 2019039120

Attached for your review and comment is the Notice of Preparation (NOP) for the Jesse M. Unruh Building Renovation Project draft Environmental Impact Report (EIR).

Responsible agencies must transmit their comments on the scope and content of the NOP, focusing on specific information related to their own statutory responsibility, within 30 days of receipt of the NOP from the Lead Agency. This is a courtesy notice provided by the State Clearinghouse with a reminder for you to comment in a timely manner. We encourage other agencies to also respond to this notice and express their concerns early in the environmental review process.

Please direct your comments to:

Jennifer Parson General Services, Department of P.O. Box 989052 West Sacramento, CA 95798

with a copy to the State Clearinghouse in the Office of Planning and Research at state.clearinghouse@opr.ca.gov. Please refer to the SCH number noted above in all correspondence concerning this project on our website: https://ceqanet.opr.ca.gov/2019039120/2.

If you have any questions about the environmental document review process, please call the State Clearinghouse at (916) 445-0613.

Sincerely,

Director, State Clearinghouse

cc: Lead Agency

Scott Morgan

Present Land Use/Zoning/General Plan Designation:

State-owned; occupied by the State-owned Jesse M. Unruh Building.

Project Description: (please use a separate page if necessary)

The project would involve a comprehensive renovation to extend the building's useful lifespan. Upgrades would be made to: fire and life-safety; accessibility; repairs to historic elements that are deteriorating or causing deterioration; hazardous materials removal; replacement of the plumbing and heating, ventilating conditioning replacement and air systems; replacement of the electrical, telecommunications and security systems; landscaping, and renovation of the elevators. The project would include restoration of historic elements as feasible and provide a new office layout for existing tenants. The project may also involve renovation or modification of the Capitol Fountain. The project goal is to achieve Zero Net Energy and Leadership in Energy and Environmental Design (LEED) Silver certification.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
