Project Title: Silicon Valley Regional Communications Systems

Project Applicant: Silicon Valley Regional Interoperability Authority (SVRIA)

Project Location (include county): Multiple telecommunications sites throughout Santa Clara County

Project Description:

The SVRCS replaces the many existing analog public safety radio systems currently in use in Santa Clara County with a new digital radio system. The proposed project will upgrade 13 existing SVCRS communications sites and add two new communication sites. The project includes upgrades to the existing radio facility on University of California property at Mount Hamilton. At the Mount Hamilton site, construction will consist of installation of a new 120-foot monopole, installation or relocation of up to three antennas onto the new tower, a new backup generator, and other associated equipment.

This is to advise that the University of California, Santa Cruz has approved the above ([] Lead Agency or [X] Responsible Agency)

described project on March 19, 2019 and has made the following determinations regarding the above (date) described project.

- 1. The project [] will [X] will not have a significant effect on the environment.
2. [] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. [X] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [X] were [] were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [] was [] was not adopted for this project.
5. A statement of Overriding Considerations [X] was [] was not adopted for this project.
6. Findings [X] were [] were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

UC Santa Cruz Physical and Environmental Planning, Barn G, 1156 High St., Santa Cruz, CA 95064
