Project Title: Sativa Los Angeles County Water District

Project Applicant: County of Los Angeles Department of Public Works

LOS ANGELES, COUNTY CLERK

Project Location - Specific:

Sativa Los Angeles County Water District is a community public water system serving service connections in the Willowbrook and Compton communities.

Project Location - City: Willowbrook and Compton Project Location - County: Los Angeles

Description of Nature, Purpose and Beneficiaries of Project:

The proposed project actions consists of funding the staffing, operation, and urgent infrastructure repair costs for the Sativa Los Angeles County Water District. The proposed repair work for the Sativa infrastructure includes providing interconnection points with an adjacent water system, conversion of chlorination system, repair/replacement of broken pipelines and valves, electrical and mechanical repair/replacement work at the wells, maintenance/rehabilitation of the wells, hydropneumatic tank rehabilitation, installation of SCADA system, and system flushing. The recommended actions and repairs improves the wellness and social well-being of the communities.

Name of Public Agency Approving Project: County of Los Angeles

Name of Person or Agency Carrying Out Project: County of Los Angeles Department of Public Works

Exempt Status: (check one):

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: CEQA §15301(a),(b), (d), (f) and §15302
- Statutory Exemptions. State code number: \_\_\_\_\_
- No Project (Sec. 15378(b)(2), (4), and (5))

Reasons why project is exempt:

The proposed recommended actions, including funding, are not a project, because they apply to continuing administrative activities, the creation of a government funding mechanis, or other government fiscal activities, that do not involve commitment to any specific project that may result in a potentially significant physical impact on the environment, and administratvive activities of government that will not result in direct or indirect physical changes in the environment. The proposed repair work categorical exemptions provide for repair, maintenance, or minor alterations to existing facilities of both investor and publicly-owned utilities; restoration and rehabilitation of deteriorated or damaged structures, facilities, or mechanical equipment; installation of safety equipment at existing facilities, and replacement of equipment that will have the same purpose and capacity; and replacement or reconstruction of existing structures and facilities, and will have substantially the same purpose and capacity.
