Project Title: UC Davis Campus Security Management System - Phase 1

Project Applicant: University of California Davis

Project Location - Specific:

UC Davis Central Campus

Project Location - City: Project Location - County: Yolo

Description of Nature, Purpose and Beneficiaries of Project:

UC Davis proposes the Campus Security Management System - Phase 1 project to install new centralized security software and the associated hardware, including card readers, door hardware, video cameras, video recording devices, and controls in 150 existing buildings (103 on-campus buildings and 46 off-campus buildings). The new access control measures will be integrated in a new centralized security hub replacing 11 access control system and seven camera systems.

Name of Public Agency Approving Project: University of California Davis

Name of Person or Agency Carrying Out Project: University of California Davis
