Office of Planning and Research:

The California Department of Transportation (Caltrans) District 11 is submitting the attached Notice of Exemption (NOE) to file on the completed Categorical Exemption for a District Director's Emergency Order Project to repair a collapsed 24-inch corrugated metal pipe and sink hole. The project proposes to repair the CMP by replacing it with RCP; reconstruct the slope; and place concrete slope paving to prevent further erosion at the bridge abutment and exposing the abutment footing.

I have attached the following to this email:

Notice of Exemption Completed Categorical Exemption

Please return the stamped NOE to me, at Debra.Soifer@dot.ca.gov.

If I can be of any further assistance, please contact me using the above listed email.

Thank you,

Debby Soifer Environmental Analysis, Branch A California Department of Transportation – District 11 4050 Taylor Street, MS 242 San Diego, CA 92110
