

2019048460

NOTICE OF EXEMPTION

TO: Office of Planning and Research
1400 – 10th Street, Room 212
Sacramento, CA 95814

FROM: California Department of Corrections and Rehabilitation
Office of Facility Planning, Construction and Management
9838 Old Placerville Road, Suite B, Sacramento, CA 95827

PROJECT TITLE: Special Repair/Deferred Maintenance (Allocation #9, FY 18/19)

PROJECT LOCATION(S): Statewide (see attached)

Description Of Nature, Purpose, And Beneficiaries Of Project: Special Repair and Deferred Maintenance (SR/DM) projects will be conducted at various California Department of Corrections and Rehabilitation (CDCR) prison facilities statewide as shown on the attached list. Projects involve a wide array of repairs and contract augmentations; some examples are culvert installation, monitoring well destruction inspection and reporting, fire alarm repair and replacement, emergency repair main chiller and supply lines, and multiple water intrusion repair projects. These projects are necessary to maintain the buildings and infrastructure and to meet code requirements at CDCR prison facilities statewide and to ensure unimpeded operation and their public safety mission.

All work will be performed within the already developed prison property. The projects are not located within environmentally sensitive areas, and none of the exceptions to this exemption are applicable.

Name Of Public Agency Approving Project: California Department of Corrections and Rehabilitation

**Name Of Person Or Agency
Carrying Out Project:**

California Department of Corrections and Rehabilitation, Office of Facility Planning,
Construction, and Management, 9838 Old Placerville Road, Sacramento, CA 95827

EXEMPT STATUS:

- ☐ Ministerial (Sec. 21080(b)(1); 15268)
☐ Declared Emergency (Sec. 21080(b)(3); 15269(a))
☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c))
☒ **X** Categorical Exemption Class 1, CEQA Guidelines Section 15301 (Existing Facilities)

Reason Why Project Is Exempt: This exemption allows for the operation, repair, maintenance, permitting, leasing, licensing or minor alteration of existing public structures, facilities, or mechanical equipment to meet current standards of public health and safety, that involve negligible or no expansion of use beyond that existing at the time of the lead agency's determination. These projects consist of minor alterations to existing structures and equipment and involve no expansion of use. This is one of a class of projects that the Secretary for Resources has found do not have a significant effect on the environment, and therefore is declared to be categorically exempt from the requirement for preparing an environmental document.
