Present Land Use/Zoning/General Plan: Parks and Recreation Project Description: [blease use a separate page if necessary]. The project proposes to construct a community park between Kawana Springs Road and Kawana Terrace in Santa Rosa. The site is bisected by Kawana Springs Creek and contains three contiguous wetland mitigation areas for the Kawana Springs subdivision project that fill with water during rain events and drain into Kawana Springs Creek when inundated. The project proposed project would develop an approximately 19.2-arce site with a park that includes a filtness course, community garden, haft basketball court, sand volleyball court, outdoor table tennis court, pump track, dog park, bathrooms, bocce court, open turf, gathering pavilion, picinci areas, children's play area, parking, and a paved trail adjacent to Kawana Springs Creek. A clear span pedestrian bridge is proposed over riparian habitat and Kawana Springs Creek on the northeast corner of the site. ate Clearinghouse Contact: Project Sent to the following State Agencies (916) 445-0613 X Resources Cal EPA ate Review Began: 4 - 10 - 2019 ARB: Airport & Freight Ch COMPLIANCE 5 - 9 - 2019 SWRCB: Div.
