**RE: Nelson Sloan Quarry Restoration Project SCH# 2019049100**

To whom it may concern:

The California Department of Parks and Recreation (CDPR) is the Lead Agency under the California Environmental Quality Act (CEQA) for the Nelson Sloan Quarry Restoration Project (SCH# 2019049100) and is preparing an environmental impact report (EIR) to evaluate the potential effects of implementing the project. The purpose of this letter is to formally request an extension of the Notice of Preparation (NOP) public comment period to solicit additional comments on the NOP. The NOP was received by the State Clearinghouse and posted to the CEQANet database on April 16, 2019. The original comment period was Wednesday, April 17, 2019 and ending Friday, May 17, 2019. CDPR formally requests that the comment period be extended to Friday May 24, 2019. No revisions have been made to the Nelson Sloan Quarry Restoration Project as previously described in the NOP.

Please let me know if you have any questions or comments.

Thank you,
