## **Summary Form for Electronic Document Submittal**

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

scн#: **2019049133** 

Project Title: Miller-Almquist Bar SMARA permit renewal Draft Initial Study/Mitigated Negative Declaration				
Lead Agency: County of Humboldt Planning and Building Department				
Contact Name: <u>Joshua Dorris</u>				
Email: idorris@co,humboldt.ca.us	Phone Number: 707-445-7245			
Project Location: Arcata area	Humboldt			
City	County			
Project Decription (Proposed actions, location, and/or consequent	ences).			
Application renewal for a Conditional Use Permit/Mining Permi 6,300 cubic yards of sand and gravel annually from Mad River has historically involved aggregate removal from the exposed that as temporary equipment storage during active periods of operations of a section of the exposed that it is a section of the expose	river gravel bars. The existing aggregate extraction site par surface within the property. Secondary activities such			

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Potential Impact
Aesthetics
Air Quality
Hydrology/Water Quality
Noise
Recreation

Mitigation Measure
Vegetation Wegetation site and access road to reduce fugitive dust emissions
Project will adhere to agency agreements regarding pre and post extraction design
compliance as well as approved agency permits including Section 401 from NCRWQCB
Maintain existing vegetation at site so as to provide a natural buffer to operational activities
Maintain measures to prevent public access to the site

agencies and the public.
