**Description:** The subject application is a request to allow for the One Metro West project, proposed at 1683 Sunflower Avenue on a 15.23-acre property. The project is proposed to include up to 1,057 residential dwelling units (anticipated to be rental units with a minimum of 105 affordable units), 25,000 square feet of commercial office, 6,000 square feet of specialty retail, and 1.5-acres of open space. The project would also include off-site improvements to Sunflower Avenue and a bicycle trail connection to the existing Santa Ana River Trail. All existing buildings, structures, parking areas, drive aisles, and hardscape/landscape improvements are proposed to be demolished. The proposed project requires City approval of: an Environmental Impact Report (State Clearinghouse (SCH) No. 2019050014), General Plan Amendment (GP-20-01), Zone Change (R-20-01), Specific Plan (SP-20-01), Master Plan (PA-19-19), Tentative Tract Map (T-19-01), and Development Agreement (DA-20-02). The proposed General Plan Amendment would change the General Plan land use designation of the site from Industrial Park to High Density Residential and allow for a site-specific density of 80 dwelling units per acre. The proposed Zone Change would change the site's zoning designation from Industrial Park (MP) to Planned Development Residential – High Density (PDR-HD). The proposed project includes the establishment of a Specific Plan with site-specific development standards and design guidelines and a Master Plan including plans and details on architecture and site design, landscaping and off-site improvements. The proposed Tentative Tract Map would subdivide the property, including establishing the right to a future airspace subdivision for condominium purposes. The proposed Development Agreement defines the terms, conditions and specific requirements for development of the site between the project applicant and the City. The Planning Commission held the first public hearing on the project on April 13, 2020 and continued the item to the next regular meeting scheduled for April 27, 2020. The April 27, 2020 Planning Commission meeting was cancelled. The project will be agendized for the next regular Planning Commission meeting on May 11, 2020. For additional information, please visit <https://www.costamesaca.gov/city-hall/city-departments/development-services/planning/one-metro-west>.

**Environmental Determination:** An Environmental Impact Report (EIR, SCH No. 2019050014) was prepared for the project in accordance with the California Environmental Quality Act (CEQA) Guidelines. Pursuant to CEQA Guidelines Section 15073, the Draft EIR was made available for a public review period from February 7, 2020 through March 23, 2020. The City extended the public review period through March 30, 2020 due to circumstances surrounding COVID-19. The Planning Commission will consider the EIR including the response to comments at the public hearing.
