Project Title: SJ Bridge Maintenance 1J530

Project Applicant: California Department of Transportation

Project Location - Specific:
10-SJ-4, 5, 120-Variou

Project Location - City: Stockton Project Location - County: SJ

Description of Nature, Purpose and Beneficiaries of Project:

The California Department of Transportation (Caltrans) proposes repair to place polyester concrete overlay on the entire bridge decks on some bridges, treat the deck with methacrylate, replace strip seals, joint seals and bridge railings if needed. The purpose of this project is to provide preventive maintenance to the 11 bridges in San Joaquin County on Interstate-5, State Route 4 and State Route 120, at various post miles.

Name of Public Agency Approving Project: California Department of Transportation

Name of Person or Agency Carrying Out Project: California Department of Transportation

Exempt Status: (check one):

- ☐ Ministerial (Sec. 21080(b)(1); 15268);
☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));
☐ Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
☐ Categorical Exemption. State type and section number: S. 15301 Existing Facilities
☐ Statutory Exemption. State code number: _____

Reason why project is exempt:

Project will not affect any sensitive species or their habitat, any cultural or scenic resources or any other environmentally sensitive resources.

CATEGORICAL EXEMPTION/CATEGORICAL EXCLUSION DETERMINATION FORM

10-SJ-4,5,120	Various	1J530/1019000053	
Dist.-Co.-Rte. (or Local Agency)	P.M./P.M.	E.A/Project No.	Federal-Aid Project No. (Local Project)/Project No.

PROJECT DESCRIPTION: (Briefly describe project including need, purpose, location, limits, right-of-way requirements, and activities involved in this box. Use Continuation Sheet, if necessary.)

The California Department of Transportation (Caltrans) proposes provide preventative maintenance to 11 bridges in San Joaquin County on Interstate 5, State Route 4 and 120, at various locations. The scope of work is to place polyester concrete overlay on the entire bridge decks on some bridges, treat the bridge deck with methacrylate on other bridges and replace strip seals, joint seals and bridge railings if needed. The purpose of this project is to delay the future need for major rehabilitation of the bridges. The need of this project is to ensure the bridges remain safe to the traveling public.

CALTRANS CEQA DETERMINATION (Check one)

☐ Not Applicable – Caltrans is not the CEQA Lead Agency ☐ Not Applicable – Caltrans has prepared an Initial Study or Environmental Impact Report under CEQA

Based on an examination of this proposal, supporting information, and the above statements, the project is:

☐ Exempt by Statute. (PRC 21080[b]; 14 CCR 15260 et seq.)

☒ **Categorically Exempt. Class 1.** (PRC 21084; 14 CCR 15300 et seq.)

Based on an examination of this proposal and supporting information, the following statements are true and exceptions do not apply:

- If this project falls within exempt class 3, 4, 5, 6 or 11, it does not impact an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law.
- There will not be a significant cumulative effect by this project and successive projects of the same type in the same place, over time.
- There is not a reasonable possibility that the project will have a significant effect on the environment due to unusual circumstances.
- This project does not damage a scenic resource within an officially designated state scenic highway.
- This project is not located on a site included on any list compiled pursuant to Govt. Code § 65962.5 ("Cortese List").
- This project does not cause a substantial adverse change in the significance of a historical resource.

☐ **Common Sense Exemption.** [This project does not fall within an exempt class, but it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment (14 CCR 15061[b][3].)]

NEPA COMPLIANCE

In accordance with 23 CFR 771.117, and based on an examination of this proposal and supporting information, the State has determined that this project:

- does not individually or cumulatively have a significant impact on the environment as defined by NEPA, and is excluded from the requirements to prepare an Environmental Assessment (EA) or Environmental Impact Statement (EIS), and
- has considered unusual circumstances pursuant to 23 CFR 771.117(b).

CALTRANS NEPA DETERMINATION (Check one)

☐ **23 USC 326:** The State has determined that this project has no significant impacts on the environment as defined by NEPA, and that there are no unusual circumstances as described in 23 CFR 771.117(b). As such, the project is categorically excluded from the requirements to prepare an EA or EIS under the National Environmental Policy Act. The State has been assigned, and hereby certifies that it has carried out the responsibility to make this determination pursuant to Chapter 3 of Title 23, United States Code, Section 326 and a Memorandum of Understanding dated May 31, 2016, executed between the FHWA and the State. The State has determined that the project is a Categorical Exclusion under:

☐ 23 CFR 771.117(c): activity (c) _____
☐ 23 CFR 771.117(d): activity (d) _____
☐ Activity _____ listed in Appendix A of the MOU between FHWA and the State

☐ **23 USC 327:** Based on an examination of this proposal and supporting information, the State has determined that the project is a Categorical Exclusion under 23 USC 327. The environmental review, consultation, and any other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by Caltrans pursuant to 23 USC 327 and the Memorandum of Understanding dated December 23, 2016 and executed by FHWA and Caltrans.

Continued from page 1:

General:

- Environmental reevaluation will be required if the scope of the project changes to include additional areas or activities, or if previously unknown cultural or other sensitive resources are discovered. Contact Environmental Office if project changes occur or sensitive resources are discovered.

Hazardous Waste:

- Implement Caltrans Standard Special Provision pertaining to ISA Earth Material containing Lead, 7-1.02K(6)(j)(iii)
- Implement Caltrans Standard Specification 14-11.12.

Cultural Resources:

- If cultural materials are discovered at the job site, do not disturb the resources and immediately:
 - Stop all work within a 60-foot radius of the discovery
 - Protect the discovery area
 - Notify the Engineer

The Department Investigates. Do not move cultural materials or take them from the job site. Retain a qualified archaeologist to assess the significance of the find. Do not resume work within the discovery area until authorized.
- If human remains are discovered, State Health and Safety Code Section 7050.5 states that further disturbances and activities shall cease in any area or nearby area suspected to overlie remains, and the County Coroner contacted. Pursuant to Public Resources Code Section 5097.98, if the remains are thought to be Native American, the coroner will notify the Native American Heritage Commission (NAHC) who will then notify the Most Likely Descendant (MLD). At the time the landowner will work with the MLD on the respectful treatment and disposition of the remains. Further provisions of PRC 5097.98 are to be followed as applicable.

Biology:

- Implement Caltrans Standard Specifications pertaining to Bird Protection Section 14-6.03A. If work is to occur during the migratory bird nesting season (February 1 – September 30), preconstruction surveys must be conducted by a qualified biologist two weeks prior to construction activities, for bridge locations at 2, 3 and 5.. Contact Environmental Office to schedule a preconstruction survey. If active nests are observed, buffers will need to be established around the nests until the young have fledged, in coordination with California Department of Fish and Wildlife (CDFW). A 100-foot buffer shall be established around migratory bird active nests. For hawks, a 300-foot buffer would need to be established. For Swainson's Hawk, a 600-foot buffer would need to be established.

No permits are required for this project.
