CEQA Lead Agency: City of Manhattan Beach

Project Title: Aviation Blvd at Artesia Blvd Southbound to Westbound Right Turn Improvement Project

CEQA Document Type: Mitigated Negative Declaration

State Clearinghouse Number/local agency ID number: SCH No. 2019059007

Project Location: Regionally, the project site is located within the southeastern portion of the City of Manhattan Beach (City), in the County of Los Angeles. The project site is located approximately 0.8 miles east of Pacific Coast Highway (Highway 1), approximately 1.65 miles west of State Route 107 (SR-107), and 2 miles west of Interstate 405 (I-405). Locally, the project site is the intersection of Aviation Boulevard and Artesia Boulevard.

Brief Project Description: The proposed project would widen the west side of Aviation Boulevard to the north of the intersection at Artesia Boulevard to accommodate a 12.5 foot right turn lane and an eight-foot pedestrian walkway; construct a new Americans with Disabilities Act (ADA)-compliant features on the northwest corner of the Aviation Boulevard and Artesia Boulevard intersection; re-stripe the north leg of Aviation Boulevard; and provide new crosswalk striping at the west and north legs of the intersection. These improvements would address queuing deficiencies, improve roadway operations, and implement improvements consistent with the Manhattan Beach General Plan Transportation Element.

Determination: Based on a review of the project as proposed, the Department of Fish and Wildlife has determined that for purposes of the assessment of CEQA filing fees (Fish & G. Code, § 711.4, subd. (c)) the project has no effect on fish, wildlife or their habitat and the project as described does not require payment of a CEQA filing fee. This determination does not in any way imply that the project is exempt from CEQA and does not determine the significance of any potential project effects evaluated pursuant to CEQA.

Please retain this original determination for your records. Local lead agencies are required to file two copies of this determination with the county clerk at the time of filing the Notice of Determination (NOD) after the project is approved. State lead agencies are required to file two copies of this determination with the Governor's Office of Planning and Research (i.e., State Clearinghouse) at the time of filing the NOD. If you do not file a copy of this determination as appropriate with the county clerk or State Clearinghouse at the time of filing the NOD, the appropriate CEQA filing fee will be due and payable.

Without a valid CEQA Filing Fee No Effect Determination form or proof of fee payment, the project will not be operative, vested, or final and any local permits issued for the project will be invalid, pursuant to Fish and Game Code section 711.4, subdivision (c)(3).
