Project Title: Quarry Park Sanborn Connector Trail

Project Applicant: City of Saratoga

Project Location (include county): Santa Clara County

Project Description:

The Project would construct an approximately 3.0 mile public recreational trail connecting Saratoga Quarry Park to Sanborn County Park in western Santa Clara County. The trail is envisioned to eventually connect to existing County trails within Sanborn County Park and to serve as part of a trail system linking trails in Saratoga to the Skyline-to-the-Sea Trail to form a Saratoga-to-the-Sea trail. The proposed trail would be a multi-use facility, emphasizing the Project site's natural features, connections to adjacent open space, and opportunities for hiking and horse-back riding.
