Project Description (Proposed actions, location, and/or consequences).

The proposed project under CEQA is the adoption of the Mariposa County Regional Transportation Plan. The RTP is a comprehensive document outlining proposed transportation policies, actions and funding recommendations to meet the needs of Mariposa County residents over the next 25 years (2017 – 2042). It is intended as a guidance document with the ultimate vision of a comprehensive multi-modal transportation system for Mariposa County. Specific development is not being proposed under this RTP, and adoption of the CEQA document would not authorize any development. MCLTC's RTP is a programmatic document that proposes goals and policies pertaining to the future of transportation in Mariposa County.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

As discussed in greater detail in Section 2.6 (Program vs Project Level CEQA Analysis), specific development is not being proposed under this RTP, and adoption of this CEQA document would not authorize any development. MCLTC's RTP is a programmatic document that proposes goals and policies pertaining to the future of transportation in Mariposa County. It is intended as a guidance document with the ultimate vision of a comprehensive multi-modal transportation system for Mariposa County. Therefore, there are no significant impacts.
