Project Description: (please use a separate page if necessary)

RMC Pacific Materials, LLC, a wholly owned entity of CEMEX ("CEMEX" or "Applicant"), operates the Eliot facility. Changes in circumstances at the site and inapplicable regulatory requirements require the preparation of an amended reclamation plan that addresses these changes and provides reclamation objectives that can be feasibly accomplished and permitted by regulatory agencies. The Applicant has therefore applied to the County for a reclamation plan amendment (See the Attachment B, "Notice of Preparation," for specific project elements and details).

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

**Reviewing Agencies Checklist**
