Project Title: Latrobe Rail Washout Repairs

Project Applicant: El Dorado County Department of Transportation

Project Location - Specific: Approximately 2,000 feet south of the railroad crossing on Latrobe Creek

Road, and west of Latrobe Road, El Dorado County, CA

Project Location - City: <u>Unincorporated</u> Project Location - County: <u>El Dorado</u>

Description of Project: As a result of the high flows that occurred during January 2017 storms, significant erosion and rail embankment washout transpired adjacent to and north of existing 36" CMP culverts in an area that breached under headwater flooding conditions. To remedy the situation, El Dorado County proposes to replace the failed culverts with one (1) new Multi Plate Arch culvert including approach and departure channels. Additionally, RSP is proposed along the approach channel and other locations where necessary to protect the arch culvert.

Name of Public Agency Approving Project: El Dorado County Department of Transportation
