RE: Five Corner Comprehensive Pedestrian  
Project - Mitigated Negative Declaration  
(MND)  
SCH# 2019069112  
GTS# 07-LA-2019-02658

Dear Bob Greenlaw:

Thank you for including the California Department of Transportation (Caltrans) in the environmental review process for the above referenced project. The proposed project is intended to address operational and safety deficiencies at the "Five Corner" intersection in the City of Avalon. The project scope includes the construction of two "dual miniroundabout" intersections, construction of new sidewalk segments to close existing gaps, and construction of six pedestrian crossings.

After reviewing the MND, Caltrans does not expect project approval to result in a direct adverse impact to the existing State transportation facilities.

If you have any questions, please contact project coordinator Anthony Higgins, at [anthony.higgins@dot.ca.gov](mailto:anthony.higgins@dot.ca.gov) and refer to GTS# 07-LA-2019-02668.

Sincerely,
