Categorical Exemption. State type and section number:
Statutory Exemptions. State code number: 15061, subd. (b)(3) (common sense) & 15262

Reasons why project is exempt:
It can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment and is not subject to CEQA. Even if it were, this project is exempt because it involves only feasibility or planning studies for possible future actions which DWR has not yet approved, adopted, or funded. This project is not an adoption of a plan that will have a legally binding effect on later activities.
