Project Title: Church Street Extension/Trout Creek Restoration Project

Project Applicant: Town of Truckee

Project Location (include county): Truckee, Nevada County, California

Project Description:

Church Street Extension will extend Church Street to Glenshire Drive, including a new crossing of Trout Creek. The crossing of Trout Creek will consist of a precast concrete arch bridge with natural stream bottom. Trout Creek Restoration will restore Reaches 4 and 5 of Trout Creek through the project area. Trout Creek will be restored from the western side of the balloon track (in the Railyard Master Plan area) downstream to the UPRR right-of-way.

This is to advise that the Truckee Town Council has approved the above (Lead Agency or Responsible Agency)

described project on 09/24/2019 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
