Project Title: Lake Tahoe Boulevard Class 1 Bike Trail Project

Project Applicant: City of South Lake Tahoe

Project Location (include county): South Lake Tahoe, El Dorado County, California

Project Description:

The project will enhance 0.6 miles of Lake Tahoe Boulevard from State Highway 50 to Viking Way. The roadway will be redesigned to create alternative, safe, non-vehicular transportation between the South Tahoe High School and the South Wye. Improvements include a shared-use path with an exclusive right-of-way for bicyclists and pedestrians as well as streetscape improvements such as hardscape, landscape, and pedestrian lighting. The project implements Environmental Improvement Project (EIP) 03.01.02.0094, which contributes towards attainment of air quality, recreation, scenic resources, water quality, air quality, and transportation TRPA environmental threshold carrying capacities.

This is to advise that the City of South Lake Tahoe has approved the above (input checked) Lead Agency or (input unchecked) Responsible Agency

described project on September 12, 2019 and has made the following determinations regarding the above (date)

described project.

- 1. The project [input unchecked] will [input checked] will not] have a significant effect on the environment.
