Project Title: Dawn Hill Rd Bridge Abutment (Lake or Streambed Alteration Agreement No. 1600-2019-0150-R3)

Project Location: The project is located at the intersection of Dawn Hill Road and Sonoma Creek, approximately 0.11 miles west of Warm Springs Road, in Kenwood, in the County of Sonoma.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number 1600-2019-0150-R3, pursuant to Section 1602 of the Fish and Game Code to Sean Maloney.

The project is limited to the demolition of the failing bridge abutment on the west side of Sonoma Creek, the installation of 28 helical piers approximately 14 feet deep to support the construction of steel reinforced concrete grade beams and a abutment retaining wall located at the top of bank. No in-water work will be done. No trees or vegetation will be removed as part of this project. The new abutment will be built in the footprint of the old abutment and will not permanently disturb any further creekbank. No trees or vegetation will be removed as part of this project.
