

General Rule

**2019088063**

Exemption Title: Existing Facilities.

Reasons Why Project is Exempt: This existing facility was closed in 1995, DTSC acknowledged its closure in 1999 and issued the Permit in 2007. The renewal of the Permit does not include construction and will not result in the expansion of any existing or former use. The facility is not included in the Cortese list. (Gov. Code, §65962.5.)

Evidence to support the above reasons is documented in the project file records, available for inspection at:

Department of Toxic Substances Control
