PROJECT DESCRIPTION: (Briefly describe project including need, purpose, location, limits, right-of-way requirements, and activities involved in this box. Use Continuation Sheet, if necessary.)							
The California Department of Transportation (Caltrans) proposes to stabilize the slope by repairing existing drainages and removing water from the roadway prism. The project is located on Route 50							
in El Dorado County approximately 0.6 miles west of Bridal Veil Falls. The project scope of work							
entails dewatering the roadway prism by improving the existing drainages. Dewatering will							
mitigate future settlement							
CALTRANS CEQA DETERMINATION (Check one)							
Not Applicable − Caltrans is not the CEQA Lead Agency Not Applicable − Caltrans has prepared an Initial Study or Environmental Impact Report under CEQA							
Based on an examination of this proposal, supporting information, and the above statements, the project is: Exempt by Statute. (PRC 21080[b]; 14 CCR 15260 et seq.)							
Categorically Exempt. Class1. (PRC 21084; 14 CCR 15300 et seq.) Based on an examination of this proposal and supporting information, the following statements are true and exceptions do not							
 apply: If this project falls within exempt class 3, 4, 5, 6 or 11, it does not impact an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law. 							
 There will not be a significant cumulative effect by this project and successive projects of the same type in the same place, over time. There is not a reasonable possibility that the project will have a significant effect on the environment due to unusual 							
circumstances. This project does not damage a scenic resource within an officially designated state scenic highway.							
This project is not located on a site included on any list compiled pursuant to Govt. Code § 65962.5 ("Cortese List"). This project does not cause a substantial adverse change in the significance of a historical resource.							
Common Sense Exemption. [This project does not fall within an exempt class, but it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment (14 CCR 15061[b][3].)
