Project Title: Coronado Trunk Line Project

Project Applicant: Los Angeles Department of Water and Power

Project Location (include county): Silverlake Westlake and Echo Park Communities, LA, Los Angeles County

Project Description:
The Coronado Trunk Line Project would involve construction, operation, and maintenance of a new 30-inch-diameter welded steel potable water pipeline approximately 7,200 feet in length and would extend along segments of Robinson St, Council St, West Temple St, and North Coronado St. The project would include installation and operation of a regulator/relief station vault and a flow meter vault within Robinson Street, as well as trunk line appurtenances along the alignment. The new connection would enhance system reliability and resiliency during planned or emergency outages and allow water service while other facilities in the area are being repaired or replaced.
