Subject: No Lake or Streambed Alteration Agreement Needed
Notification No. 1600-2018-0184-R5
ResQue Ranch

Dear Ms. Ehsan:

The California Department of Fish and Wildlife ("Department") has reviewed your Lake or Streambed Alteration Notification ("Notification"). We have determined that your project is subject to the notification requirement in Fish and Game Code Section 1602, including payment of the notification fee.

The Department has also determined that your project will not substantially adversely affect an existing fish or wildlife resource. As a result, you will not need a Lake or Streambed Alteration Agreement for your project. You are responsible for complying with all applicable local, state, and federal laws in completing your work. A copy of this letter and your notification with all attachments should be available at all times at the work site.

Please note that if you change your project so that it differs materially from the project you described in your original Notification, you will need to submit a new Notification and corresponding fee to the Department.

Thank you for notifying us of your project. If you have any questions, please contact Kelly Fisher at (858) 467-4207 or kelly.fisher@wildlife.ca.gov.

Sincerely,

Marilyn J. Fluharty
Senior Environmental Scientist
