To Whom It May Concern,

The County recently submitted an Initial Study/ Negative Declaration to the OPR office. The APN is 008-018-003 and the project number is 2019-047. An error was made in the transportation element of the document.

The error can be found on pg 21 in discussion C. It should read:

This site would **NOT** increase transportation hazards because it is not bordering an intersection or major traffic hub.

Thank you,
Sincerely,
