Vallejo Bluff Trail Project Description

The proposed 1.97-mile trail would connect three existing trails (San Francisco Bay Trail, Bay Area Ridge Trail, California Delta Trail) near the north landing of the Carquinez Bridge. On the west side of I-80, the trail would run along Sonoma Boulevard south of Sequoia Avenue, and pass directly under I-80. On the east side of I-80, the trail would run southward, near I-80, from the intersection of Sequoia Avenue and Lincoln Road East to a point near Carquinez Strait, where it would run east to connect with an existing trail.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X". If you have already sent your document to the agency please denote that with an "S".
