DistCoRte. (or Local Agency) PROJECT DESCRIPTION:	P.M./P.M.	E.A/Project No. Federal-Aid Project No. (Local Project)/Project No. oject including need, purpose, location, limits, right-of-way requirements, and				
activities involved in this box. Use Continuation Sheet, if necessary.)						
The California Department of Transportation (Caltrans) proposes to remove and overlay 2 inches of pavement in Truckee on Route 89 from the Donner Pass Road roundabout to the Prosser Dam Road roundabout. This project is needed to improve the roadway serviceability by correcting damage caused by traffic and environmental conditions and to prevent further degradation of pavement with preventative maintenance.						
CALTRANS CEQA DETERMINATION (Check one)						
Not Applicable – Caltrans is not the CEQA Lead Agency Not Applicable – Caltrans has prepared an Initial Study or Environmental Impact Report under CEQA						
Based on an examination of this proposal, supporting information, and the above statements, the project is:						
Exempt by Statute. (PRC 21080[b]; 14 CCR 15260 et seq.) Categorically Exempt. Class 1 (PRC 21084; 14 CCR 15300 et seq.) Based on an examination of this proposal and supporting information, the following statements are true and exceptions do not apply: If this project falls within exempt class 3, 4, 5, 6 or 11, it does not impact an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law. There will not be a significant cumulative effect by this project and successive projects of the same type in the same place,						
 over time. There is not a reasonable possibility that the project will have a significant effect on the environment due to unusual circumstances. This project does not damage a scenic resource within an officially designated state scenic highway. This project is not located on a site included on any list compiled pursuant to Govt. Code § 65962.5 ("Cortese List"). This project does not cause a substantial adverse change in the significance of a historical resource. Common Sense Exemption. [This project does not fall within an exempt class, but it can be seen with certainty that there is no 						
possibility that the activity may have a significant effect on the environment (14 CCR 15061[b][3].)

NEPA COMPLIANCE		A CONTRACTOR OF THE CONTRACTOR				
In accordance with 23 CFR 771.117, and based on an examination of this proposal and supporting information, the State has determined that this project: • does not individually or cumulatively have a significant impact on the environment as defined by NEPA, and is excluded from the requirements to prepare an Environmental Assessment (EA) or Environmental Impact Statement (EIS), and • has considered unusual circumstances pursuant to 23 CFR 771.117(b).						
CALTRANS NEPA DETER	MINATION (Ched	eck one)				
23 USC 326: The State has determined that this project has no significant impacts on the environment as defined by NEPA, and that there are no unusual circumstances as described in 23 CFR 771.117(b). As such, the project is categorically excluded from the requirements to prepare an EA or EIS under the National Environmental Policy Act. The State has been assigned, and hereby certifies that it has carried out the responsibility to make this determination pursuant to Chapter 3 of Title 23, United States Code, Section 326 and a Memorandum of Understanding dated May 31, 2016, executed between the FHWA and the State. The State has determined that the project is a Categorical Exclusion under: [23 CFR 771.117(c): activity (c)() [24 CFR 771.117(d): activity (d)() [Activity listed in Appendix A of the MOU between FHWA and the State						
23 USC 327: Based on an examination of this proposal and supporting information, the State has determined that the project is a Categorical Exclusion under 23 USC 327. The environmental review, consultation, and any other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by Caltrans pursuant to 23 USC 327 and the Memorandum of Understanding dated December 23, 2016 and executed by FHWA and Caltrans.

Continued from page 1:					

Scope of Work

- Grind and overlay 0.2 of pavement
 - o Pavement material is RHMA-G
 - o Pavement method will be cold planed
- No pavement will be stored on site
 - o Contractor will properly dispose of AC
- Remove and replace traffic stripes
- No soil disturbance
- No vegetation/tree removal or trimming
- All work will be within existing pavement limits
- All work within ROW
- Work will be performed at night
- No utility involvement
