PROJECT TITLE: Vallejo Parole Unit Office Lease

PROJECT LOCATION(S): 2320 Courage Drive, Fairfield CA (Solano County)

Description Of Nature, Purpose, And Beneficiaries Of Project:

CDCR lease an approximately 8,273 square foot office located in Fairfield. The existing space has security issues and is considered substandard. Structural safety is an issue and the building is at risk of shifting. Without further structural assessments staff safety will continue to be an issue. Additionally, there is a possible pest/rodent infestation making the work space not suitable for staff. The project will involve interior renovation of an existing office including reconfiguring the work stations and office spaces, replacing ceiling tiles, electrical fixtures and relocating some mechanical equipment. This project is needed to provide a proper training facility program space for educational and rehabilitative needs of parolees in the bay area.
