CEQA Filing Fee No Effect Determination

Applicant Name and Address: California Energy Commission
1516 Ninth St. MS-25
Sacramento, CA 95814

CEQA Lead Agency: California Energy Commission

Project Title: General Service Lamps Appliance Efficiency Rulemaking

CEQA Document Type: Negative Declaration

State Clearinghouse Number/local agency ID number: 2019099006

Project Location: Statewide

Brief Project Description: The California Energy Commission (CEC) is proposing to amend the regulation and definition of general service lamps to align with the federal standard. This would set the minimum efficiency standard of general service lamps to 45 lumens/watt in California. This new regulation would be effective on or after January 1, 2020. This new standard is meant to reduce electricity consumption in general service lamps with no significant change in the manufacturing process.

Determination: Based on a review of the project as proposed, the Department of Fish and Wildlife has determined that for purposes of the assessment of CEQA filing fees (Fish & G. Code, § 711.4, subd. (c)) the project has no effect on fish, wildlife or their habitat and the project as described does not require payment of a CEQA filing fee. This determination does not in any way imply that the project is exempt from CEQA and does not determine the significance of any potential project effects evaluated pursuant to CEQA.

Please retain this original determination for your records. Local lead agencies are required to file two copies of this determination with the county clerk at the time of filing the Notice of Determination (NOD) after the project is approved. State lead agencies are required to file two copies of this determination with the Governor's Office of Planning and Research (i.e., State Clearinghouse) at the time of filing the NOD. If you do not file a copy of this determination as appropriate with the county clerk or State Clearinghouse at the time of filing the NOD, the appropriate CEQA filing fee will be due and payable.

Without a valid CEQA Filing Fee No Effect Determination form or proof of fee payment, the project will not be operative, vested, or final and any local permits issued for the project will be invalid, pursuant to Fish and Game Code section 711.4, subdivision (c)(3).
