Project Title: La Vista Water Tank Replacement Project

Project Applicant: Carmichael Water District

Project Location (include county): Carmichael (Sacramento County, CA)

Project Description:

Project activities include construction of a three million gallon water tank, booster pump station, site access improvements, infrastructure upgrades, and a connection to Sacramento County's drainage and flood control system. The existing water tank and booster pump station will then be demolished. Additionally, existing pipeline for potable water delivery will be replaced along portions of Robertson Ave., La Vista Ave., Fair Oaks Blvd., and Stanley Ave.

This is to advise that the Carmichael Water District has approved the above (Lead Agency or Responsible Agency)

described project on 11/19/2019 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Carmichael Water District 7837 Fair Oaks Blvd. Carmichael, CA 95608
