**Project Title:** West Glendale Sustainable Transportation & Land Use Study Contract Award

**Project Location - Specific:** The study area is generally bounded by Glenwood Road to the north, the Glendale city border with Burbank to the west, State Route 134 (SR-134) and the Glendale city border with Los Angeles to the south, and North Brand Boulevard to the east.

**Project Applicant:** City of Glendale, Community Development Department

**Project Location - City:** Glendale **Project Location - County:** Los Angeles

**Description of Nature, Purpose and Beneficiaries of Project:**

The West Glendale Sustainable Transportation and Land Use Study (Study), in addition to showing a preferred protected bike lane concept and potential land use changes for Glenoaks Boulevard, should include illustrative "vision" plans showing corridor-long and locational enhancements that will support multi-modal corridors and vibrant neighborhoods linking to Glenoaks Boulevard. The completed Study at a minimum will include: 1) introduction and project need statement; 2) existing conditions, opportunities and constraints; 3) analysis of future conditions - including demographic information and traffic counts; 4) summary of community engagement process; 5) preferred protected bike lane, complete street and land use concepts; and 6) implementation and financing strategy. The Study will also include a review of the existing Commercial Planned Development (CPD) zone.
