Subject: Request for Comments
Preliminary Environmental Assessment
Western Region Detention Facility
E Sciences Project Number 1-2344-001

To Whom It May Concern:

On behalf of our client, The GEO Group, Inc., E Sciences Inc. is conducting a preliminary environmental assessment and is requesting early consultation comments from stakeholder agencies for the preparation of a draft environmental document concerning the existing conditions and continued operation of the Western Region Detention Facility.

The United States Department of Justice (DOJ) United States Marshals Service, is requesting an environmental assessment to analyze the potential environmental impacts resulting from the operation and maintenance of the contractor operated facility. As part of the preliminary evaluation, you are invited to provide comments relative to the potential impact to wetlands, water quality, wildlife and wildlife habitat associated with the proposed project.

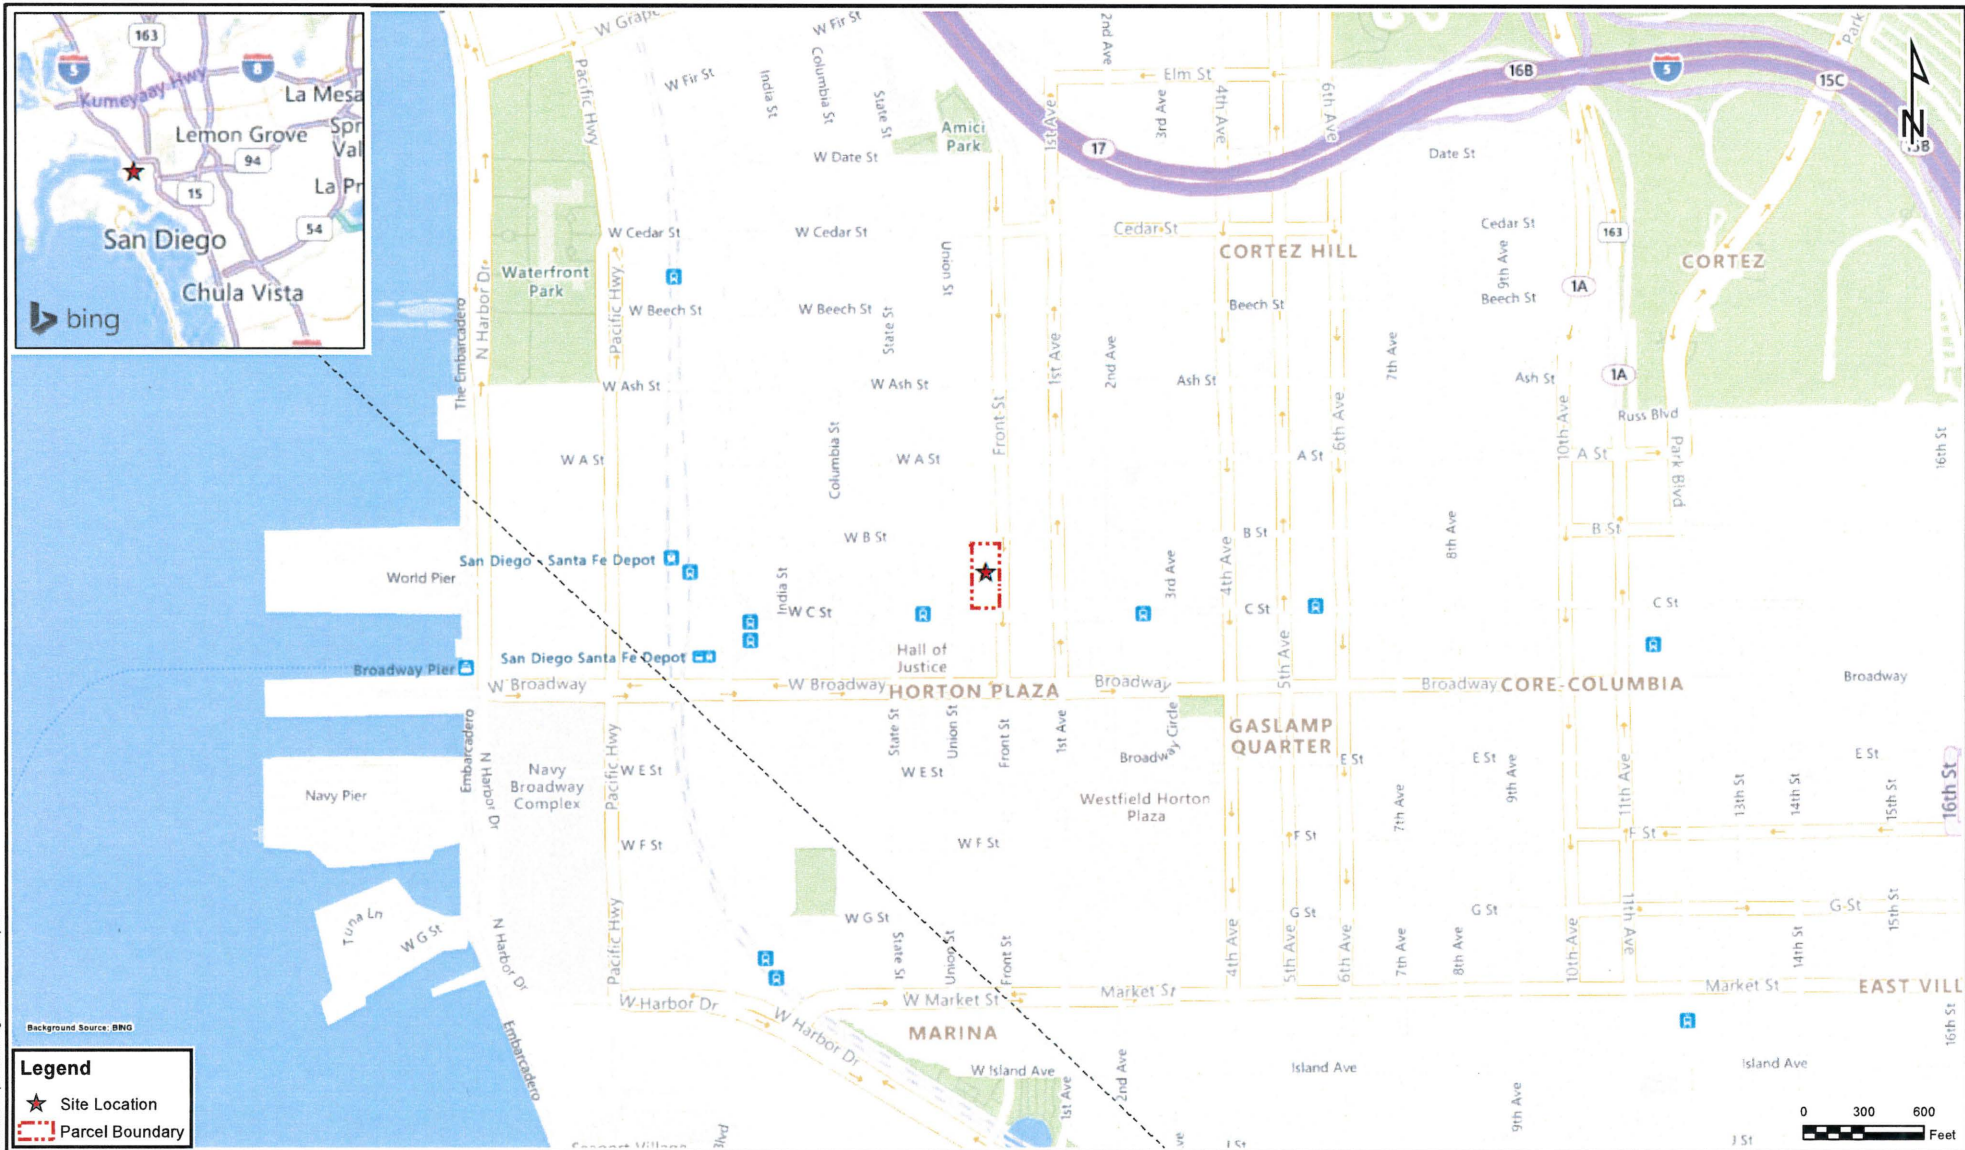

A Document Transmittal form has been completed along with the attached figures to provide property location details. Thank you for your assistance in this matter. If you have any questions, do not hesitate to contact me via phone (407) 481-9006, or email: fblackburn@esciencesinc.com.
