Project Title: Kuechler Private Recreational Dock (Lake or Streambed Alteration Agreement No. 1600-2016-0397-R3).

Project Location: The project is located at the Sacramento River, in the County of Sacramento, State of California; Latitude 38° 30' 55.41" N, Longitude 121° 32' 27.18" W; Township T8N, Range R4E, U.S. Geological Survey (USGS) map Sacramento West; 658 Riverlake Way, Sacramento, CA 95837; Assessor's Parcel Number 030-0401-015.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number 1600-2016-0397-R3, pursuant to Section 1602 of the Fish and Game Code to Jason Kuechler.

The project is limited to installation of a private boat dock with a gangway and a landing. The dock encompasses a total of 372 square feet and will be an 18-foot by 34-foot u-shape constructed with an aluminum frame and a composite decking with encapsulated floatation. Installation of the dock will require pile driving of three (3) 14" steel piles with a barge-mounted pile driver. The 3-foot by 56-foot prefabricated aluminum gangway will be suspended above both levee and water and will encompass an area of 162 square feet. A 3-foot by 4-foot landing will be installed on the levee to anchor the gangway to shore; the landing will encompass an area of approximately 12 square feet. Four four-inch (4") piles will be installed in conjunction with the landing to allow the gangway to rise during flood conditions. The total area of dock, gangway, and landing installation is 432 square feet (0.01 acre).

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying Out Project: Jason Kuechler

Exempt Status:

Categorical Exemption. Type – Class 3; California Code of Regulations, title 14, section 15303

Reasons why project is exempt: The project is exempt because it involves new construction of a small accessory structure.
