Project Title: Existing Bridge Replacement (3219 Browns Valley Road, Napa) (Streambed Alteration Agreement No. 1600-2019-0214-R3)

Project Location: The project spans Browns Valley Creek at 3219 Browns Valley Road, in the City and County of Napa, State of California.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number 1600-2019-0214-R3), pursuant to Section 1602 of the Fish and Game Code to Fjeld Family Limited Partnership.

The project will replace an approximately 50-foot long, 10-foot wide wooden bridge with an approximately 65-foot long, 10-foot wide prefabricated steel bridge. The bridge will be placed on top of two new concrete abutments approximately 15 feet long, 3 feet wide, and 4 feet deep. Concrete abutments will be constructed within the existing paved driveway approximately 6 feet from top of bank. The bottom of the bridge will be approximately 2 feet above the 100-year flood water surface elevation.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying Out Project: Fjeld Family Limited Partnership

Exempt Status:

- Statutory Exemption.
- Categorical Exemption. Type – Class 2; California Code of Regulations, title 14, section 15302

Reasons why project is exempt: The project includes the replacement of an existing bridge structure. The new bridge will be constructed at the same location as the existing bridge and will achieve the same purpose. No riparian trees or vegetation will be removed by the project.
