Project Title: Westlands Water District Central Valley Project Water Repayment Contract #14-06-200-495A-XXX (Conversion to Repayment)

Project Location - Specific:

Within the boundaries of the Westlands Water District

Project Location - City: Not Applicable

Project Location - County: Fresno and Kings

Description of Nature, Purpose and Beneficiaries of Project:

The project is the execution of Contract #14-06-200-495A-XXX which would convert Westlands Water District's (District) existing water service contract to a repayment contract that provides the terms and conditions for water service with the United States Bureau of Reclamation (USBR) for the purpose of continuing delivery of Central Valley Project water within established parameters to lands within the District's existing service area boundary. The beneficiaries of the project are the District, its landowners, and water users. The USBR is a party to the bilateral agreement and as such is a recipient of the District's approval (Pub. Resources Code, §§21065, 21167.6.5). The project is entirely administrative in scope.

**Attachment A
Notice of Exemption
Appendix E**

Reasons why project is exempt:

The project is statutorily exempt from compliance with the California Environmental Quality Act as provided in Title 14 of the California Code of Regulations, Section 15261, because it is merely a continuation of a project approved, funded and fully operated prior to November 23, 1970 and no modification or alteration in the Central Valley Project or the amount of water delivered is proposed.

The project is also exempt under 14 CCR 15301 as it provides for the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of existing or former use. The Project is wholly administrative in scope as the project involves no construction, alteration, or expansion of an existing use.
