Fax: (209) 464-1251

PUBLIC NOTICE

As lead agency under the California Environmental Quality Act, the Port of Stockton is providing notice that it has released a Draft Environmental Impact Report (DEIR) to assess the potential environmental effects associated with the following project:

Lehigh Southwest Stockton Terminal Project

The proposed project is located at 205 Port Road 1 and the adjacent Berth 2 in Stockton, California.

The proposed project involves redeveloping an existing bulk cementitious material receiving and distribution terminal at the Port to accommodate additional capacity and improve operational efficiency. The DEIR is available for review at the Port of Stockton (2201 West Washington Street, Stockton, California 95203) and an electronic copy of the DEIR is available for review at <https://www.portofstockton.com/ceqa-documents/>. The review period starting date is May 22, 2020, and ending date is July 6, 2020. Please submit your comments on the DEIR by email to jcashman@stocktonport.com or by mail to Jason Cashman, Environmental Manager, Port of Stockton, 2201 West Washington Street, Stockton, California 95203.

Emails must be received by July 6, 2020. Comment letters must be postmarked by July 6, 2020. If you have any questions, please contact Jason Cashman by email (above) or phone at 209-946-0246.
