Project Title: Palm Springs High School Seismic Upgrades and Modernization Improvements

Project Applicant: Palm Springs Unified School District

Project Location (include county): 2401 East Baristo Road, City of Palm Springs, Riverside County

Project Description:
The Palm Springs Unified School District (District) is proposing to to implement various seismic upgrades and modernization improvements on the Palm Springs High School (PSHS) campus. The Project would also implement various hardscape and landscaping improvements across the PSHS campus to improve existing drainage conditions. Implementation of the proposed Project would provide the PSHS campus with a range of upgraded and modern facilities that meet current standards.

This is to advise that the Palm Springs Unified School District has approved the above (checked) Lead Agency or () Responsible Agency

described project on November 26, 2019 and has made the following determinations regarding the above (date) described project.

- 1. The project () will (checked) will not have a significant effect on the environment.
2. () An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. (checked) A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures (checked) were () were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan (checked) was () was not adopted for this project.
5. A statement of Overriding Considerations () was (checked) was not adopted for this project.
6. Findings () were (checked) were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
150 District Center Way, Palm Springs, CA 92264
