Project Description: *(please use a separate page if necessary)*

The proposed project would include the installation of 19 light standards within the previously developed recreational complex area in Orosi, California (see Figure 1). Eight 70-foot light standards would be installed around the existing football field and junior varsity soccer field, six 60- to 80-foot light standards would be installed around the existing baseball field, and five 60- to 70-foot light standards would be installed around the existing softball field. The proposed project also includes the installation of three 960-square foot buildings that would house restrooms and concessions. The existing facilities and proposed facilities are shown on Figure 2.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
