

San Benito County Resource Management Agency

Public Works / Planning & Building / Parks / Integrated Waste

HARRY MAVROGENES, Agency Director

Good Morning!

On the enclosed CD you'll find four (4) Attachments to the Initial Study/Mitigated Negative Declaration (IS/MND). The attachments provide evidence verifying the determinations made by the lead agency.

Theresa in your office at the State Clearinghouse stated only one (1) hard copy of the Summary Form was required (I had to stop myself from making more than 5 ...)

I made one typo in the Summary Form but corrected it on hard & electronic copies.

I look forward to your review comments and incorporating any feedback into the process, documents, mitigations, and conditions.

Thank you
